COVID-19 Testing
Call Center & Drive-Thru

Opelousas General Health System is now providing a call center for COVID-19 scheduled drive-thru testing. Testing will be conducted by appointment only through our call center to abide by our social distancing policy. Please call to determine if you meet criteria for testing. Only those who have been screened and scheduled are allowed to come to the screening station. We ask that you please have your Government Issued Identification & Insurance Information with you upon arrival.

Call **1-337-678-4705** for questions related to COVID-19.
