April 8, 2020

Dear Family Members,

As stated in our April newsletter:

*"As Easter approaches this year, we are dealing with a truck load of anxious emotions resulting from fear of the unknown and concerns for the future. We wonder where to turn for effective assistance and we may find ourselves in the experience of Good Friday with Jesus in the Garden of Gethsemane calling out to his heavenly Father for help (Mt. 26:36; Mk 14:39). Like Jesus, we, too, can call to our heavenly Father for help. When we do so, we are bound more powerfully to God. In fact, we are ever closer to Him through our needs and weaknesses, our unfulfilled hopes and dreams, and our anxieties and problems than we are in our joys, successes, and strengths alone."*

We want to assure you that we join you in prayer for healing and safety for all our residents and we are doing our very best to take care of them. In this present situation, change happens quickly and we must respond to the changes as they arise. We may not be able to talk to you as quickly as we would like or you would desire, but we will be in contact with you to notify you of changes as soon as possible.

Let us remain united in prayerful support for the needs of our residents, our staff, and our world.

God bless you,
